

# How To Prepare Your Expandable Tarp

## Step 1.

Lay Tarp face up

## Step 2.

Fold in corners of tarp

## Step 3.

Make small 2 cuts into material - 1 just under grommet the other about where the edge of the flap corner is. Feed zip tie through holes and up through the grommet as shown.

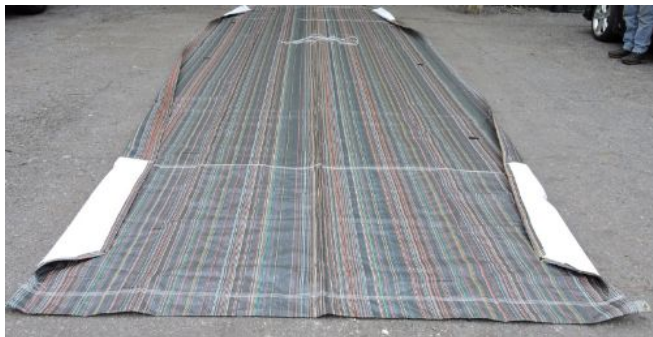

**Step 4.**

**Zip tie the corner tight, cut off excess.**

**Step 5.**

**Repeat zip tie process to all flap corners**

**Step 6.**

**Attach bungee as shown to the tabs on the tarp, with flap folded as shown.**
